4.3	<p>JP asked if we knew why last year’s members have not re-joined?</p> <p>SD replied that a survey was issued to those that did not rejoin last year. Only 3 responses were received from approx. 24 and the responses indicated that a change in circumstances has led to not renewing their membership.</p>	
4.4	<p>Overall the trend has been downward over recent years and Paul Hearn speculated on the reasons at the last AGM. The BMC has noted a downward trend nationally and this could be down to the development of online platforms like Meet Up.</p>	
4.5	<p>SD updated the attendees on a new online membership system provided by the BMC. Membership details can now be updated directly through the new online portal.</p>	
4.6	<p>DN asked if members can now get automatic cover from the BMC. SD replied that yes that is the case but members were also covered under the old system by a three month grace period from the BMC.</p>	
4.7	<p>SD explained that the HMC’s online presence (website <a href="http://www.thehmc.co.uk">www.thehmc.co.uk</a>) is now being updated regularly to attract new members. Photographic and video content from members is encouraged to help show off the fun we have on a meet.</p>	
4.8	<p>AS commented that it was not easy to find committee contact details on the website. SD explained that there is a Contact link under the Join Tab on the main page. This takes views to the committee contact page.</p>	
4.9	<p>SD advised that the committee is trying to promote the club through the use of the website, Facebook and</p>	

	twitter but any ideas are welcome

4.13	SD replied that Gary Bebb asked the AGM two years ago to vote on using Meet Up to attract new member and the attendees voted against it.	
4.14	JFD added that there were concerns about Meet Up attracting people who were inexperienced and would expect to be led on walks.	
4.15	SD added that HMC could investigate attending relevant/appropriate events being held in Hertfordshire such and have a table promoting the club but would need support from club members.	HMC to review attendance at events
<b>5</b>	<b>Outdoor Meets Report</b>	
5.1	RS advised the attendees that the last season bookings was based on realistic uptake and so aim to ensure that the club breaks even on meets. Huts are being favoured due to good value and summer camping meets help to keep costs low.

5.6	AS asked if the Alps trip was still on. SD advised that there was a proposed plan for either Gran Paradiso or the Dolomites but would only run if there was interest. As we are close to June/July, we may need to think about September. SD advised that he would investigate chalet options in the Dolomites and if anyone was interested to contact him.
